

# Texas.gov Enterprise Technology Solutions

Empowering state & local government to do **MORE** with less

## Pay Direct

### Online Payment Processing

TxPay Direct is an online payment processing solution developed by Texas.gov for state and local governments. Offer your constituents the convenience of completing secure online payments and enjoy complete end-to-end transaction management services.

*TxPay Direct integrates directly with your front-end online application to accept all payment types.*

### Interface Options

Choose from different interface options:

#### → Common Checkout

You host the application and Texas.gov hosts the payment page.

#### → TPE® Direct

You host both the online application and the payment page.

### Enterprise Payment Engine

TxPay Direct is powered by NIC's Transaction Processing Engine (TPE®), a PCI Level 1 compliant, enterprise-class electronic payment engine. TPE® offers:

- Automated daily disbursements
- Robust administrative tools
- Back-end system integration
- Full redundancy

#### Comprehensive Solution

Support all payment types and integrate with USAS to record revenues and disbursements.

#### PCI-Compliant

Fully comply with federal, state, and industry security standards.

#### Real-Time Reporting

Store transaction history and generate detailed reports for reconciliation.

#### Free Updates

Receive automatic updates to leverage new features and functionality.

## Why Texas.gov?

### Leverage Existing Agreement

Implement TxPay Direct now. Any state agency, unit of Texas local government, or licensing entity is eligible to use TxPay Direct under the Texas.gov master agreement with the State of Texas. Just sign a customer agreement, complete the onboarding forms, receive training, and schedule a go-live date.

### No Out-of-pocket Costs

There are no upfront costs or appropriated funds required to implement TxPay Direct. Texas.gov solutions use a self-funded model where users pay a nominal fee to complete their transaction online.

## Value-Adds

### Customer Service

Our multi-channel customer service solution and dedicated support team are available 24/7 to provide quick, convenient assistance.

### Marketing & Promotion

Texas.gov helps your agency raise awareness and drive adoption for your online services with a targeted marketing plan or ad-hoc consultation.

## About Texas.gov

Texas.gov helps state and local government entities web-enable their services. We operate without tax funds through a partnership between the State and Texas NICUSA, LLC, an Austin-based company. Texas NICUSA is a subsidiary of NIC, the nation's leading provider of official government portals, online services, and secure payment processing solutions. We partner with 200+ publicly-funded state and local government agencies to provide 1,000+ online and over-the-counter services that process secure payments and safeguard constituent data. Since inception in 2000, the Texas.gov program has securely processed 201 million+ online transactions worth \$30 billion+ on behalf of our government partners.
